Basis of preparation

All information in the report is based on reporting instructions used for tax purposes, pursuant to Section III, Parts B and C, of Annex III to Council Directive 2011/16/EU.

The data reported is primarily sourced from the Group's consolidation system which is used to prepare the IFRS consolidated financial statements of Haleon plc, registered and incorporated in the United Kingdom, which is the ultimate parent of the Group.

All information is prepared in accordance with the implementing regulation published by the European Commission, which provides a common template and electronic reporting format for the application of the EU public country-by-country reporting directive.

It is possible that certain jurisdictions are showing amounts that may differ from the statutory accounts of the Group's subsidiaries. A list of the Group's subsidiaries can be found in note 30 of the consolidated group financial statements of Haleon plc.

An electronic, machine-readable format of this report is available [here](#).
