

**Our spend on political advocacy**

2024

Our trade and business association spend in 2024

As a consumer health company that develops and manufactures health products, legislation and regulatory initiatives can profoundly affect our business and our ability to bring new products to consumers globally.

To ensure that our voice is one of those contributing to and shaping public policy, we are members of trade and business associations around the world. We also work with think tanks, policy institutes and others who shape public policy.

Below, we list a selection of our global, regional and national trade associations that we work with, across a selection of markets.

Global Trade Associations

Total Spend on Trade Associations

In 2024, our estimated total spend on trade associations was £6,215,000.

US Lobbying Spend

In line with the Lobbying Disclosure Act, we publish details of our expenditure on lobbying activities via the [US Federal lobbying register](#) and relevant State lobbying registers. In 2024 in the US, Haleon spent approximately \$690,000 on lobbying activities at the Federal and State level.

Total Spend on Political Advocacy

In 2024, our total spend on political advocacy was estimated to be £6,755,000.

US Political Action Committee (PAC)

In accordance with the Federal Election Campaign Act, Haleon employees are able to make personal contributions to our US Political Action Committee (PAC). A PAC is a corporate or labour-based political committee that collects voluntary contributions from eligible US employees into a separate fund. The PAC is not controlled by Haleon. Disclosure reports for the Haleon PAC can be viewed on the [Federal Election Commission](#) website.

Political donations

Haleon does not make political contributions or sponsor political meetings, conferences, conventions, or events, as set out in our Anti-Bribery and Corruption Policy. In the year to 31 December 2024, the Group did not make any political contributions or provide any sponsorship.

For more information on our approach to political advocacy, please see our [position on political advocacy](#).
